ANTI-NOWHERE LEAGUE ANTHOLOGY

Anti-Nowhere league

Leading lights in the early 80's UK

Punk scene, this quartet from

Turnbridge Wells flaunted their

talents in biker leather, chains and

hardcore obscenity. Led by Animal

(vocals) & Magoo (guitar), their

catalog of outrage veered from the

satirical to the genuinely offensive

with a string of 4 letter words, rapid

misogyny & the glorification of

bestiality.
