Dear Greg:

The Hawai'i Millennium Commission is pleased to be host to your production at Kakaako Waterfront Park as part of our New Year's Eve celebration. Having *Phuture Hawai'i 2000's* music and dance fest offered free to the people of Hawai'i is a welcome addition to the festivities planned for the state's yearlong millennium celebration.

With 90 minutes of live television and radio coverage being aired throughout Europe via BBC radio and television stations, *Phuture Hawai'i 2000* will showcase Honolulu's picturesque waterfront in full view of the state's major fireworks displays to millions worldwide.

We appreciate your effort in helping us put on a spectacular show for the people of Hawai'i and the world to enjoy.

Aloha,

Benjamin J. Cayetano
