

Booty call

Local DJs G-Spot, Ikon and Matthew Grim get the bow chooka bow wow pumping Saturday for the Wave Waikiki's Booty Nights party with the big guy himself, Ron Jeremy.

The promoters promise a mad rage with two levels of old school porn beats: retro, flashback, new wave, '70s, '80s, camp, electroclash and mash-up.

According to the promoters (some of whom are reportedly doubling as "local superstar fluffers" to the stars), suggested dress for the over-the-top event is: "nasty, dirty, slutty, Miami Vice, ghetto, playa, gaudy, '70s, creepo, lingerie, pervy, new wave, trailer trash, hill billy, couchie cuttin', pajama, schoolgirl, nurse, cheesiest porn wardrobe you can think of." We're afraid to even imagine the results.

Jeremy—along with his surprise porn queen guest—will judge the midnight Hottest Booty contest. So bring one that's fit to compete.

Wave Waikiki, 1877 Kalākaua Ave, Sat 10/1, 9PM-4AM, \$10 advance, tickets available at Jelly's, Sensually Yours, Linea, UH Campus Center, Wave Waikiki, groovetickets.com 18+, 941-0424
