### Indigo celebrates a dozen

Indigo Eurasian Cuisine will be thumping with three rooms of music as it celebrates its 12th anniversary. Special guest is Jesse Saunders, above, known as the godfather of house music, and DJs from the last dozen years (G-Spot, Jason S., SovernT, Mark, Ms. Angel, Jahson 45 Revolver, Nocturnal Sound Crew, Sean G, Kavet the Catalyst and others) also will spin. Bands and hip-hop acts are scheduled, too. The party is for those 21 and older.
