

HOTSPOT

Next Door

The drum and bass scene is alive and well in Honolulu, and after spending Friday night at Next Door, you'll know why.

DJ/producer, Dieselboy, brings his act to the 43 N. Hotel St. hot spot, providing endless beats for you and your party buds to get down to, from 9 p.m.-2 a.m.

Some Dieselboy facts:

- * first American to be nominated and win for best drum and bass DJ at the 1998 Global DJ Mix Awards.

- * First American to get his record played at Metalheadz and to play Fabric in London.

- * Consistently rated as the country's number one DJ by the BPM Magazine's reader's poll.

- * Dieselboy is also known as the father of American drum 'n bass.

Entertaining the crowd with him for Friday night's party is Washington D.C. mix master, DJ Trek. Trek has been spinning drum and bass beats for 10 years and was one of the first DJs to play d&b and jungle in Hawaii.

This evening is for the 21 plus crowd only, by the way. Tickets are \$15 limited presale and \$20 afterwards, and are available at Jelly's, UH Campus Center, Hungry Ear Records, Hawaii's Natural High, at www.groovetickets.com or by calling 1-877-87-GROOVE. For more info dial up 591-3500 or 941-0424 ext. 12.

Double-O-Spot and Larceny present this event.
