

PROMOTERS

G-spot

DJ and promoter G-spot is international, currently promoting parties in Australia, England, Japan and France, among other places. He grew up in Chicago and got his start DJ-ing, which eventually led to promotions. "I started to promote as a default. To give myself a venue or avenue to DJ at," he told me. G-spot attended the University of Miami and then UH and got his bachelor's and master's degrees in science and civil engineering. Self-described as shy, G-spot also does a radio show on Fridays from 6-9 p.m. on 90.3 FM.

G-spot has promoted so many weeklies, one-offs and raves that he keeps fliers to remind himself of his work schedule. He is currently promoting Get Fresh every Friday at Indigo, Fridays and Saturdays at Lulu's, Saturdays at Fashion45 and Wednesdays at Next Door. G-spot says the worst part about promotions is that you may not know who your real friends are, "No good deed goes unpunished." If he weren't promoting, G says he'd be "morning trading, traveling the world with a lover, and DJ-ing".
