KTUH 90.3— "The Underground Sounds"

With most DJs you might ask, "What cities have you DJ'd in?" With DJ G-Spot, you ask about countries. G-Spot has performed in Japan, Australia, Thailand, England, Ireland, Canada, Brazil, and Mexico, to name a few. Named best DJ in Honolulu by the readers of the Honolulu Weekly in 1998, G-Spot has been involved in numerous radio stations as a *Hot Mix DJ*—93.1, 102.7, and 93.9. After 10 years, he does his "Underground Sounds" radio show every Friday 6–9 p.m. on *KTUH 90.3*. When he is in town you can catch him DJing at Next Door every Wednesday for an 80's Night and every Friday at Get Fresh at Indigo. "There was a point where I was DJing three to four gigs in one night. I would do the "Underground Sounds" on Friday til 9 p.m., then go DJ at The W at 10 p.m., then be at The Maze til 3 a.m. and then go DJ at an after-hours party til 5:30 a.m." Tune in to "The Underground Sounds" show every Friday 6 p.m.–9 p.m. on *KTUH 90.3*.
